Conferences

Notice: There are three items in determining your fee.

1. Registration – Based on the number of people in your family over the age of 7. By family is meant parents or grandparents with minor children, may also include college age students still considered dependents. Should be immediate family, not extended family.
2. Housing – If you share housing with another family, only one family needs to pay this fee. The prices are per room, per RV, and per tent. The options are . . .
 - a. Staying in Camp Housing (limited availability and assigned by the registrar).
 - b. Staying in your RV. If it has wheels it is an RV.
 - c. Staying in your tent.
 - d. Staying Off-Site.
3. Meals – Indicate the number of meal packages you wish to purchase. If you do not plan to take all the meals served for the session, they may also be paid for “at the door” or a tab can be run throughout the session.
